“Shall City Council Resolution No. 2016-52 and Ordinance No. 2016-04, which collectively update the City’s General Plan Housing Element, amend related General Plan provisions, and amend Specific Plans, Zoning Code, Zoning Map, Municipal Code, and Local Coastal Program, in an effort to comply with State law, incentivize greater housing affordability, implement rules to protect the character of existing neighborhoods, maintain local control of Encinitas zoning, and resolve existing lawsuits, be adopted?”
